## About

The Corner Cafe has the privilege to present Singer Songwriters, every Friday and Saturday night, from across the country. The music is presented in a live concert fashion but with the charm of a small room which allows the artist to reach each person in the room.

The food is prepared and home cooked which will round off the music with great food. *Now serving your favorite Beer and Wine.*

Bed & Breakfast lodging is available if you want to make it a weekend trip. Give us a call for reservations. (936)825-0712
